Hi Dan –

I am wanting to find out how much it costs and who I would deal with to get a banner that hangs over the entire street. I know I've seen this before on Hollywood Boulevard, east of Vine Street. I'm not sure who's in charge of that at the city, or if there are other locations where they are allowed in Hollywood, but we wanted to see about getting them to promote our upcoming festivals.

Thanks

Sure! It's administered through bureau of street lighting.
